

Welcome to the 2020-21 Hedke Award submission form.
There are several questions at the end of the survey to which your club can submit a "free form" response. Please make sure you read those questions carefully and prepare your answers as directed. Failure to upload that document could result in a significant loss of points and penalize your club's score. You can leave your work and return to the survey as long as you do so from the same computer which you initially used to access the submission form.
