

Membership Recruitment:

The Rotary Clubs of District 6400 are being challenged to find at least 1 new member between July 1st and October 15, 2019. Names for those who you would like inducted should be sent to your Membership Coach or Steve Ahles by that day.

That member will then be invited and encouraged to attend the Membership and Foundation Dinner where we will Grow Rotary, and they will be inducted by RIPVP and Rotary Foundation Trustee Jennifer Jones. We will have a fun filled evening at the Fox Hills Country Club on Saturday, November 2nd, 2019 at 6pm. Ticket prices for this event are \$60US and we encourage clubs to pay for the new member to come.

Rotary International Past Vice President and Rotary Foundation Trustee Jennifer Jones and District Governor John Chambers will then install these new members into Rotary! This is a very exciting and special opportunity. New members will also see first hand how district Rotarians from two districts come together in fellowship and in the spirit of growing our Foundation and Membership.
