

## 2019-2020 District Community Grants

On behalf of the D6400 Rotary Foundation Committee I am pleased to announce that 35 projects have been approved for funding and may now proceed. The total value of these projects is \$166,432.79 with a contribution of \$84,932 from the District Block Global Grant. Many thanks to Grants Overview Chair Russ Jones (Plymouth Noon) for his able preparation and submission of this Global Grant. Because of funds available to us this year, we were able to increase the grant to each project by \$250 and give a corresponding decrease to the club contribution. Thanks also to District Community Grants Chair Bill Jasman (Trenton), and the adjudication team of Sue Goldsen (D-6400 Global), Roberto Sanchez (Taylor), Russ Jones, David Carpenter (Wayne) and myself. In this DRFC transition year, Russ and I give our thanks to advice from past Grants Overview Chair Mary Kehoe and past District Rotary Foundation Coordinator Donna Schmidt. Here is a list of the approved projects.
