

The Second District 6400 Tree Project

April 28, 2018 (10 AM – 1 PM)

In the Fall we planted 25 mature trees on a CSX berm in Southwest Detroit

In the spring we will plant trees along the Rotary Hub in Windsor-Essex

There are two ways to help.

1. Buy a tree for a \$50.00 donation. Canadians donate at <http://rotary1918.com/page/donate> . Americans donate by a check payable to “Rotary District D6400 Foundation” sent to PDG David Carpenter, 2732 S Newburgh, Westland, MI 48186.
2. Help us plant the trees on April 28. Please register at <https://rotary6400treeplanting.eventbrite.ca>.
