

November 2018

FROM DISTRICT GOVERNOR PAUL SINCOCK...

Issue #5 2018-19

When I look at all of the positive events and activities our clubs organized and collaborated on for World Polio Day, it reminds me of why we are known as SUPER DISTRICT 6400. In Area 8, Blissfield hosted a multi-club event that raised over \$2,000. Monroe held a community fundraising buffet and Livonia hosted a spaghetti dinner. Northville offered Shots for Polio at a local bar. Area 10 clubs organized Pizza for Polio, and Windsor 1918 added Pig Out for Polio while Windsor Roseland placed an awareness-raising banner over Ouellette Avenue and offered a dining event at Mezzo's. Detroit sponsored Bowling to Knock Down Polio. All of these events contributed greatly to District 6400's efforts to End Polio Now.

The Membership and Foundation Dinner will be held on Wednesday, November 7 from 5:30 to 8 p.m. at the Plymouth Cultural Center, 525 Farmer St. Join us as we celebrate the accomplishments of our members, clubs and District 6400 as we induct new members, recognize new Paul Harris Fellows and present the Rotary Club Foundation awards. The keynote speaker will be Past District Governor/Rotary Foundation Cadre Wade Nomura who will share "Three Gifts of Rotary". Please register on DACdb or by email to rotarydrdonna@gmail.com. Tickets, payable at the door only, are \$35 USD and \$40 CDN.

District Governor nominations are due to me on or before December 1, 2018. Clubs may nominate a candidate for consideration of the District Nominating Committee to hold the positions of District Governor Nominee in 2019-20, District Governor Elect in 2020-2021 and District Governor in 2021-2022. All nominations must be submitted by email to me at psincock@plymouthmi.gov on the form that can be found [here](#).

Finally, don't forget to sign up for District Conference that will be held at Caesars Windsor May 10-12. Register today to insure you get a prime room at the hotel. All conference information, including registration instructions, can be found [here](#).

The Carleton Rotary Club and the Cow Town Robotics team at Airport High School meet to assemble and locate a CNC Router for use in building future competitive robots by the robotics club.

DISTRICT GOVERNOR NOMINATIONS 2021-2022

This notice is given in accordance with District 6400 Bylaw 5.4 and serves to advise the presidents of all clubs in District 6400 that their club may nominate a candidate for consideration of the District Nominating Committee to hold the positions of District Governor Nominee in 2019-2020, District Governor Elect in 2020-2021 and District Governor in 2021-2022. All nominations must be submitted to District Governor Paul Sincok (psincok@ci.plymouth.mi.us) on or before December 1, 2018, on the fully executed form available at [this link](#). District Governor Paul will forward the completed nomination forms to the Chair of the District Nominating committee on or before December 7, 2018. The District Nominating Committee consists of the five immediate Past District Governors who are active members of clubs in the District and is chaired by the senior member of this group in terms of the number of years since he or she has served as District Governor. The District Nominating Committee shall meet on or before January 7, 2019 to consider the proposed candidates and make their selection.

Dan & Ross
Levy

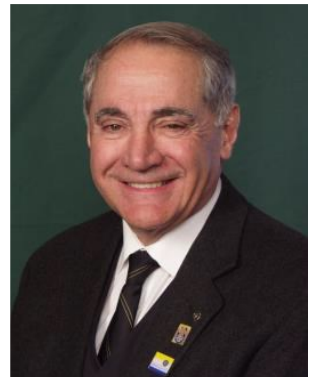

In Memorium

From Dan Levy, Ross' son and past president of Cottam Rotary: "Thank you

everyone for the outpouring love and support that you've shown my family and I over this difficult time in our lives. Thank you for your thoughts, prayers, comments and condolences. My dad was a great man who had a positive impact on so many people. He left a tremendous legacy and will not be forgotten. We will continue his work in Rotary and the Legion and keep his memory alive. There is much to do so we better get started. That's what Dad

would have wanted." Ross passed away October 10th.

(Left) Longtime Huron Township Rotarian and community volunteer Steve Chont died October 28th (Right) Past 2005-06 Dearborn club president Omar Guevara passed away October 22, 2018 at the age of 82. Dr. Guevara was a member of Bradenton (Florida) Rotary at the time of his death.

Vocational Training Team to Ghana Teacher Training Initiative

Rotary District 6400 is looking for individuals interested in applying for a position as a Team Leader or Team Member on a Teacher Training VTT to Rotary District 9102 in the Upper West Region of Ghana in May 2019. Rotary will cover the cost of travel and room and board for this trip.

The Vocational Training Team (VTT) is a Rotary Foundation program where teams of Rotarians and non-Rotarians travel overseas with a Rotarian leader to take part in a training project that fits one of the Foundation's Areas of Focus.. This year Governor Paul Sincock decided that education will be the focus. (Basic Education and Literacy)

Purpose:

To train primary education teachers in the Upper West Region of Ghana on techniques to increase student involvement in the classroom in classes grades 1 to 3.

Qualifications of VTT members:

- Teachers/ teacher trainers/ teacher educators with expertise in teacher training in primary education, specifically student involvement in classroom
- Employed with a minimum of 2 years of experience in education; recently retired.
- Previous International travel preferred
- Individuals who can work well on a team and are flexible.
- Individuals who can travel to Ghana in May 2019 for two weeks

Prior to departure the VTT will be required to participate in all orientation sessions and complete necessary travel requirements. During the trip, team members must accept the decisions of the Rotarian Team Leader, travel with the team on the schedules established, maintain standards of behavior that will reflect positively on Rotary, and share expertise and skills with host country participants. After the trip, the VTT must prepare and submit final reports, and speak about the experience to Rotary Clubs and other groups.

How to Apply:

Email your resume and a letter explaining why your training and experience would be an asset to the VTT to: **Janet Kelly, Chair District 6400 VTT Committee,**
Janetsue1918@gmail.com 519-999-9531

Application Deadline...November 19, 2018

Interviews for Team Leader...December 1, 2018

Interviews for Team Members...December 8, 2018

Let's Meet...

**HOW
LONG
HAVE YOU
BEEN IN
ROTARY
AND WHAT
POSITIONS HAVE YOU HELD?**

I have been a Rotarian since June 2015, and I have been Treasurer since Oct 2015.

...Head Mouseketeer
Maria Price
from
Club LaSalle-Centennial

WHAT OR WHO KEEPS YOU INSPIRED TO CONTINUE THE GOOD WORK OF ROTARY?

The dedicated and passionate members of my club inspire me every week. As treasurer, I have intimate knowledge of how we put our money to work, and that fuels my interest in our fundraising efforts. Our club's service projects also inspire me, because we can experience as a group how rewarding it is to make a difference in the lives of others, the environment etc.

IF YOU COULD CHOOSE ANY OF YOUR DREAMS TO PURSUE WHAT WOULD IT BE?

I'M A SCRATCH
GOLFER.

I SWING MY
CLUB AND JUST
SCRATCH MY
HEAD.

I dream of living in a world where everyone was nice to each other. It just seems so simple.

I'd also love to be a scratch golfer.

WHAT IS SOMETHING YOU ARE GRATEFUL FOR EVERYDAY?

I am grateful every day for the family I have and the country I live in.

WHAT IS YOUR FAVOURITE QUOTE, SAYING OR SHORT POEM AND WHY?

*be the
best you
can be*

"Help me to overcome all of my weaknesses and bring sunshine and joy to the lives that are gathered round me day by day". This is a line from "A Nurse's Prayer" which all staff had to recite at the beginning of each shift at the first Catholic hospital I first worked at as a young nurse. The message is so pure and simple, and can be applied to all of our daily lives. We all have the power to be the best we can be every day. Bringing sunshine and joy is about the little things...

WHAT WORDS OF WISDOM WOULD YOU GIVE YOUR YOUNGER SELF TODAY?

Don't underestimate the potential you have to make a difference in this world.

WHO DO YOU ADMIRE MOST AND WHY?

Without question, my parents. My mother has Parkinson's disease. Since the age of 70, she has been confined to a wheelchair and has had to live in a nursing home due to her complex needs. I have never once heard her complain, and she is always thinking of and worrying about others. My father has dedicated every day of his life for the last 10 years to caring for her, visiting twice every day since she had to leave their home 5 years ago. They just celebrated their 55th wedding anniversary. They are the definition of selflessness.

WHAT 3 THINGS COULD YOU NOT GO WITHOUT EACH DAY?

In order: Coffee, laughter, hugs

IF YOUR LIFE WAS A MOVIE, WHAT WOULD THE TITLE BE?

"It's A Wonderful Life"

IF YOU COULD INSPIRE THE YOUTH OF TODAY TO MAKE ONE CHANGE FOR A BETTER WORLD WHAT WOULD IT BE?

Young people today need to celebrate and appreciate who they are and what they can offer this world. Social media sets us up to compare our lives with others- be happy with who you are and you will bring joy. Know that everyone has a cross to carry or a burden to lift, no matter how beautiful their selfie is.

By District 6400 Rotary Foundation Committee Chair Donna Schmidt:

Rotary District 6400 is so appreciative and thankful to its members for what they do for our District and The Rotary Foundation. We are proud to report that District 6400 received four awards from The Rotary Foundation at the recent Zone 28-29 Institute in Erie, Pennsylvania. These awards were for Foundation accomplishments during the 2017-2018 Rotary year.

1st Annual Giving Fund - \$340,850

1st Annual Fund Per Capita - \$209.62

3rd Total Annual Giving Fund - \$593,726

20% District Designated Funds for Polio - \$28,123

We were also very pleased to receive a letter from the Rotary Foundation Board of Trustees stating that the District 6400 grants program was 100% in compliance with reporting requirements as of the October 2018 world reporting analysis. We thank everyone who worked on grants at the Club and District level this past year for your continued effort. We recognize the hard work involved to maintain this level of compliance and deeply appreciate the good work that all of you are doing.

This year we received a District block grant in the amount of \$83,955 and awarded a total of 31 community and collaborative grants. Examples of projects included the development of a leadership Academy for Girls, purchasing a washer/dryer plus bedding for 50 homeless people, teaching students how to grow their own food and eat healthier, constructing a solar powered school bus shelter and restoring a school for the blind and providing 20 braille devices.

We currently have two global scholars who are working on graduate degrees. Andrea Bechard (RC of Windsor 1918) is studying at the Institut Barcelona d'Estudis Internacionals in Spain pursuing a masters degree in International Relations. Madison Vorva (RC of Plymouth) is studying at Cambridge University in England working on a masters degree in Environmental Policy. Each global scholar was awarded a \$30,000 grant by District 6400. We are pleased to announce that Gaia Klotz has been selected as a Peace Fellow for 2019. Gaia will be studying at the University of Bradford in the United Kingdom.

Dr. Nick Krayacich (RC of LaSalle Centennial) led a second Vocational Training Team to Ethiopia in August to conduct a training program for teachers that emphasized proper handwashing techniques. During this trip, the Howey Family Health Center was also dedicated (*at left*). The new medical facility which is located in Debre Berhan, Ethiopia will serve a minimum of 30,000 villagers per year and opened their doors to the community on September 3rd.

We are currently the primary partner in a total of fourteen (14) global grants. The projects associated with these grants are located in India, England, Spain, Ethiopia, Italy, Canada and the United States. These projects are focusing on e-learning literacy in schools, microfinance, maternal and child health, water and sanitation, economic development, pediatric heart surgery and global scholars. The global grants for these 14 projects total \$1,097,957.

Congratulations to all the Rotarians and Rotary clubs that are actively participating in local and global community service projects. Through the Rotary Foundation and your hard work, we are truly “pursuing our dreams” and “inspiring others to do good” throughout the world.

The Young Rotary Leaders of the Rotary Club of Windsor-Roseland hosted a debate October 17th, featuring four of the five candidates running in Ward 1. The sponsorship, which was covered by [CBC News Windsor](#), demonstrated both civic engagement and Rotarians in action!

Certification of Appreciation to the

Rotary Clubs of District 6400

For Contributions to
Rotary International President Ian Riseley's
2017-2018 Tree Planting Challenge

Environmental Sustainability Rotarian Action Group July 2018

Dear 2017-18 Governor Rick Caron:

President Ian Riseley wanted Rotarians to look towards the environment so he created "The Rotary International President's Tree Planting Challenge 2017-18!" Rotarians around the world enthusiastically took President Riseley's tree planting challenge to heart, placing service above self by serving the environment and planting many millions of trees. Healthy trees are the foundation for a healthy environment and a healthy environment will create a healthy community.

The Environmental Sustainability Rotarian Action Group (ESRAG) would like to recognize your district for its contribution to President Riseley's 1.2 Million Tree Planting Challenge. We are enclosing with this note a Certificate of Appreciation commemorating your district's participation in President Riseley's tree planting challenge. ESRAG's hope is that President Riseley's Tree Planting Challenge will serve as the starting point for Rotarians around the world to work to improve the environment using the premise of environmental sustainability.

Thank you again for supporting President Ian Riseley's tree planting Initiative and the environment.

Best regards,

Peter Moralee
Chair, ESRAG

Carleton Rotarians had their first joint meeting with the Airport High School Interact Club in the school library Tuesday, October 16, 2018. Interact president Lizzy Belinky chaired the meeting assisted by Rotarians Ashley McFadden and John Krimmel. Rotarian Krimmel noted that the Interact Club is the largest service club in the school. Rotarian McFadden explained the details of all the projects as President Belinky introduced them and took questions.

The Tecumseh Rotary Club partnered with ReLeaf Michigan and the city of Tecumseh to plant 13 trees at Hotrum Park in Tecumseh. The club donated the park to the city several years ago. This was the most significant change made to the park in several years.

Livonia AM's youngest member, Grant Sobczak is an enterprising entrepreneur and small business advocate who has owned and operated a business since the young age of fourteen.

He is CEO of Modern Mind Technology, a technology conglomerate that provides digital marketing and consulting services to small and mid-sized businesses and operates eCommerce stores. Grant is also Churchill H.S.'s Interact President, and produced a "Ted Talk," which you can [download here](#).

Update from Rotary Peace Fellow Laurie Smolenski, from Grosse Pointe: I'm currently the Development and Outreach Officer at the Institute for Economics and Peace (IEP), a global think tank that uses data to better understand and communicate the drivers of peace. There is a great story here –

Rotary and IEP formalized a partnership in 2017, the goal of which is to bring IEP's peace research and tools to 1.2 million Rotarian peacemakers around the world. I directly support this work, including speaking at Rotary events to promote the partnership and encourage Rotarians to take advantage of the resources that are being made available through our collaboration. I am also responsible for managing relationships with foundation and institutional supporters, disseminating IEP's research through diverse public channels, and advancing IEP's educational programming.

Going back further, I had first learned about IEP from a presentation at the 2016 Rotary Peace Fellow Seminar at the University of Queensland (UQ), and had actively followed the Institute since. (I'd taken some intro stats courses at UQ and was very interested in marrying quantitative methods with my interests in peace and related social issues, so this research is squarely within my wheelhouse.)

Shortly after I returned to New York (where I live) from Australia, the position that I now have opened; the timing and the functions of this role were perfect. It's been a very meaningful "full circle" evolution, and I'm incredibly grateful for Rotary's role in this process – I believe it was my training as a Peace Fellow, my exposure to the Institute through that Rotary seminar, and my longtime relationship with Rotary that positioned me for the job.

**INSTITUTE FOR

& PEACE**

District 6400 celebrates World Polio Day October 24th (more on page 16)

(Above left) Windsor-Roseland Rotarians pose below their End Polio Now banner on Ouellette St. in downtown Windsor (Above Right) Livonia & Livonia AM Rotarians held a spaghetti dinner (Right) In conjunction with the 2 for 1 match from the Bill & Melinda Gates Foundation, Huron Township, Romulus, and Dearborn Rotarians raised over \$4,000 in a joint fund raiser for Polio eradication on World Polio Day.

(Above left) Northville Rotarians raised money with "Shots for Polio." (Above right) Polio volunteers extraordinaire Aruna & Shiva Koushik were guest speakers at a Plymouth Rotary October meeting and the club spontaneously raised over \$1,400 for polio eradication efforts. (Left) Essex Rotarians and students from Essex District H.S. teamed up for "Pizza for Polio."

Jennifer Jones named Rotary Foundation Trustee

Rotary International President-Elect Mark Maloney announced in October the election of new Rotary Foundation trustees for 2019-2023, including Past R.I. President Ian Riseley and Super District 6400's Past R.I. Vice-President Jennifer Jones (pictured at right during a World Polio Day event last month in Melbourne, Australia). Congratulations Jennifer!

After 30 years of bold action, historic achievements, and sometimes discouraging setbacks, Rotary and its partners in the [Global Polio Eradication Initiative](#) (GPEI) have nearly brought polio to an end.

This groundbreaking public-private partnership and its innovative strategies were celebrated Wednesday, October 24th, during Rotary's 6th annual World Polio Day event, in Philadelphia, Pennsylvania, at the [College of Physicians of Philadelphia](#). Several District 6400 clubs held "livestream viewing parties"!

Hundreds of people attended in person, including representatives of all five GPEI partners, and thousands more worldwide watched it live online. Cable news journalists Ashleigh Banfield, host of HLN's "Crime and Justice," and Alex Witt, host of "MSNBC's "Weekends Live With Alex Witt," moderated the event.

Rotary Foundation Trustee Chair Ron Burton began the program by noting that Philadelphia is where Rotary announced, at its international convention in 1988, that it doubled its fundraising goal of \$120 million and raised \$247 million.

The moment showed Rotary's strength as an organization capable of tackling the challenge of ending the disease globally and spearheading one of the most ambitious public health initiatives in history, the GPEI. The other partners of the GPEI are the [World Health Organization](#), [UNICEF](#), [U.S. Centers for Disease Control and Prevention](#), and the [Bill & Melinda Gates Foundation](#).

Feed Our Future

Windsor-Essex Rotarians we need YOUR help!

Introducing Socks and Bottoms

The Winter Season is rapidly approaching and our local Rotary clubs are asking Rotarians, family and friends to donate new socks, underwear, diapers and adult incontinence products to help the homeless across Windsor and Essex County.

Contact your local Rotary Club to arrange pick-up.

All donations will be collected with the goal to create a "donation mountain" at the Wednesday, December 12, 2018 meeting at the Macedonian Hall, 5225 Howard Avenue. All donated items will then be distributed to local shelters and community agencies across Essex.

(Also accepting sleeping bags, gloves and scarfs)
