All prices are US dollars. All of the payments are going directly through the District through DACdb. You will NOT need to make and pay for your room reservations separately.

All of this is now available for selection on DACdb. If you have already made your deposit, you can go log back in now and 'Modify My Registration' to add your room, additional children, additional adults and then you can make the final payment for everything right through DACdb. When you follow the form to the third screen, any deposits you have made will show deducted from your total on that third page.
