HOW TO PLAY!

Your assignment is to complete four Rotary Road Trips during the Rotary year 2020-21.

A qualifying Road Trip will include four (4) members of your Rotary Club.

One Road Trip must be international. US clubs can count MTG in Harrow, CDN clubs can count One Rotary Summit. Or just cross the border for a club meeting or activity.

Complete a page of this "Passport to Fellowship" for each visit. Be sure to have your Passport signed by District Governor Noel on the occasion of his official visit to your club.

Submit completed Passports to Governor Noel or to your AG by April 1, 2021 for special recognition at DisCon 2021.
