

## **The Rotary Foundation District Community Grants have been Approved.**

Congratulations to the 30 clubs involved in application for a District Community Grant from the Rotary Foundation. Approval for all the applications was received on July 21, 2023. You are now free to complete your project. This year we had 19 single club applications and 5 collaborative club applications. The total value of all grants received is \$111,280, with \$54,087 of that total given by the Rotary Foundation through the District Designated Funds earned by your contributions to the Annual Fund. All those that will benefit from the below projects thank you for your contributions.
